## **Bourns Releases Two New ChipGuard® ESD Protectors**

# Model MLA Series µVaristor ESD Clamp Protector and Model CGF Series ESD/EMI Filter

*Riverside, California - TO BE RELEASED AUGUST 27, 2014 -* Bourns is pleased to announce the release of two new series of ChipGuard® ESD protectors ideal for consumer electronics.

The Bourns® ChipGuard® MLA  $\mu$ Varistor Series ESD Clamp Protectors are based on multilayer metal oxide varistor (MLV) technology. Bidirectional ESD protection is provided in an ultra-small 0201 package making it one of the smallest protectors available on the market today. The series is ideally suited for space-constrained electronics such as handheld devices, notebooks, tablets, and smart phones.

### **Features**

- Miniature 0201 package
- Fast response time to ESD strikes (<1 ns)
- Bidirectional protection
- Low clamping voltage
- Low leakage current
- RoHS compliant\*

### **Applications**

- Smart phones
- Tablets
- Handheld devices
- Embedded components
- Scanners
- Notebooks

In addition, Bourns is also pleased to announce the release of the new ChipGuard® CGF Series integrated ESD and Common Mode Filter protectors. The Combined Protection Technology (CPT) device utilizes thin film technology in creating an ESD/Common Filter protection solution available in a single space-saving package. This series complies with the robust ESD protection requirements of IEC 61004-2 Level 4, has very low capacitance and superior common mode noise rejection up to 3 Ghz, making it ideal for high-speed differential data lines. The Bourns® ChipGuard® CGF Series is well-suited for use in mobile phones, notebooks, tablet PCs and digital cameras.

#### **Features**

- Combined Protection Technology (CPT) design
- Common mode filter
- ESD protection
- Fast response time
- Low capacitance
- RoHS compliant\*

### **Applications**

- USB 2.0
- HDMI
- MIPI
- MHL

Both new series are RoHS compliant\*. The product data sheets with detailed specifications can be viewed on the Bourns' website at www.bourns.com. Should you have any questions or need addition information, please feel free to contact Bourns Customer Service/Inside Sales.
